

## **Legitimate Interest and Keeping in Touch**

So we can continue helping local people living with incurable illnesses, we'd like to share with you information about our work and ways your support can make a difference. We'd do that by writing to you, or very rarely telephoning you, when we think we have something you'd be interested in, such as news, appeals or ways you can support us.

If you'd prefer us not to keep in touch in this way, we will of course respect your wishes. You can stop this type of contact from us simply and easily by calling 01952 221351 or emailing [fundraising@severnospice.org.uk](mailto:fundraising@severnospice.org.uk)

We keep your contact details safe and never pass them on to others for their own use. More information is available in our Privacy Policy on our website [www.severnospice.org.uk](http://www.severnospice.org.uk)
