Severn Hospice Equality and Diversity Statement

Severn Hospice (the Hospice) is committed to the equal treatment of all employees and job applicants and requires all staff, whatever their grade or authority, to abide by this general principle. The Hospice is committed to all employees being able to achieve their full potential in an environment characterised by dignity and mutual respect.

No individual shall be treated less favourably than another on grounds of gender, age, religion or belief, marital status, race, nationality, ethnic or national origin, sexual orientation, disability, social background, trade union membership, criminal record, carer responsibilities or employment status. The policy of equality of opportunity extends to all services we provide.

Severn Hospice aims to promote equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a diverse range of candidates including those with criminal records. We comply fully with the DBS Code of Practice and undertake to treat all applicants fairly. We undertake not to discriminate unfairly against any subject of a DBS Check on the basis of a conviction or other information revealed. Candidates are selected for interview based on their skills, qualifications and experience.

A DBS Check is only requested after a thorough risk assessment has indicated that one is both proportionate and relevant to the position concerned. For those positions where a DBS Check is required, all application packs will contain a statement that a Check will be requested in the event of the individual being offered the post.

Details of criminal records must be sent under separate, confidential cover with your application form. We guarantee that this information will only be seen by those who need to see it as part of the recruitment process.

All those involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. At interview, an open and measured discussion will take place on the subject of any offences or other matter that might be relevant to the position.

Criminal records will be taken into account for recruitment purposes only when the conviction is relevant. Having an "unspent" conviction will not necessarily bar you from employment. This will depend on the nature of the position and the circumstances and background of your offences. However, any "unspent" convictions, which are not declared and subsequently revealed, may result in dismissal.

Under the Rehabilitation of Offenders Act 1974, a conviction will become "spent" (i.e. treated as if it had not occurred) where the individual has not, after a specified period of time, committed another serious offence.

Rehabilitation periods vary depending on the type and length of conviction originally incurred.

Severn Hospice has a legal obligation to protect vulnerable client groups from people who have committed serious offences, and as such meets the requirements in respect of exempted questions under the Rehabilitation of Offenders Act 1974. All applicants who are offered employment in a post that falls into this category will be subject to a Disclosure Barring Service Check, before the appointment is confirmed. This will include details of cautions, reprimands or final warnings, as well as convictions, including "spent" convictions and where the post is subject to an Enhanced Check, other relevant non-conviction information, such as police enquiries and pending prosecutions will be included.

Severn Hospice is committed to compliance with the Disclosure Barring Service's Code of Practice for Registered Persons and other recipients of DBS information.

A copy of the Hospice's Equality and Diversity Policy is available upon request.

AREA FUNDRAISER
Job description and person specification

Post title	Area Fundraiser
Directorate	Income Generation
Salary band	£26,000
Location	Primarily based at our Telford hospice with some travel between hospice sites and out in the local area
Hours	Full time, including some evenings and weekends
Role reports to	Associate Director - Fundraising
Management duties	None

Purpose of the post:

As part of a team of three, the Area Fundraiser is responsible for all fundraising activity within their defined geographic area, acting as the main link between the hospice and the community. This is not a job for a beginner – the role requires someone with a proven track record in professional fundraising.

As the local face of Severn Hospice, the Area Fundraiser will raise agreed income by developing relationships with existing supporters, creating and building links with new supporters, and acting as a catalyst for third party fundraising within their defined area. This will include raising income proactively from individuals, corporates, hospice support groups, and community groups/organisations.

The post also requires organising several Severn Hospice events. These will range from mass participation events such as sponsored walks to large-scale ticketed events such as outdoor cinema screenings.

Supporter relationship management, achieving financial targets, working within a team environment and exceptional communications skills are all important parts of this post. The job demands enough knowledge, experience and judgement to be able to carry out key responsibilities without constant supervision but also to know when decisions need to be escalated to a more senior level.

Position within the Income Generation team:

Principal responsibilities:

- Proactively seek support from individuals, organisations and groups of people within a defined area to raise funds for Severn Hospice.
- Achieve personal income targets to an agreed expenditure budget as set by the Associate Director – Fundraising.
- Establish new and develop existing relationships with the community within the defined area to maximise fundraising income.
- Be the main point of contact for those in the area who wish to support Severn Hospice, providing excellent customer service at all times.
- Regularly review, analyse and evaluate all fundraising activity undertaken to ensure targets are met and supporter engagement is effective.
- Initiate, research and present new fundraising ideas, assessing their feasibility and income generation potential against likely expenditure including staff time.
- Report at regular intervals on progress achieved, including producing monthly KPIs.
- Effective communication to increase supporter engagement and retention.
- Generate income and develop relationships through effective corporate fundraising, including charity of the year, sponsorship, employee fundraising, and volunteering.
- Actively promote opportunities for supporters in your area to participate in third party challenge events in aid of Severn Hospice e.g. overseas treks, skydives, running events, bike rides etc.
- Organize and manage specific Severn Hospice events, effectively recruit participants and achieve financial targets set for each event.
- Give presentations, talks and pitches to a variety of audiences in order to increase awareness of Severn Hospice and generate support for our cause.
- Provide support and guidance to those who wish to raise funds for Severn Hospice, including advising on legislation, risk assessments, health and safety issues, licensing regulations etc.

- Working with the Associate Director - Fundraising and fellow Area Fundraisers, create an annual area plan to ensure coordinated and successful fundraising activity across Severn Hospice's catchment area.
- Provide support to fellow Area Fundraisers as and when required, working effectively as a team at all times.
- Work with colleagues in Retail, Lottery and Communications to maximise income generation opportunities and present one face to the local community.
- Ensure full compliance with all regulatory and legal requirements and best practice.
- Attend cheque presentations as and when required by the Associate Director - Fundraising.
- Update and maintain records contemporaneously on ThankQ database in line with procedures set out by the Donor Development Manager.
- Respond to all supporter enquiries and communication in a positive, helpful and timely manner.
- Working with colleagues in Communications, manage the marketing and promotion of the fundraising activity you are responsible for to ensure good coverage.
- Recruit volunteers to assist at events, allocating appropriate tasks and providing comprehensive briefings.

This job description is intended as a guide to the range of duties covered and should not be regarded as inflexible. There is a mutual obligation to modify the description when changes in the work situation occur.

Supplementary information

In accordance with Severn Hospice's Health & Safety Policy all employed persons while at work are required by Section 7 of the Health & Safety at Work Act to take reasonable care of their own health and safety and that of others who may be affected by their acts or omissions.
