

Each year we care for **3,000** families in Shropshire, Telford & Wrekin and Mid Wales living with incurable illness.

One of our youngest fundraisers last year was nine-year-old Drew Edwards, who cycled **100** miles and raised **£900**. Go Drew!

For every **£1** donated to us last year, we spent **83p** on care. We used the remaining **17p** to raise another **£1**.

Nurses on our wards each walked an average of **300,000** steps a month delivering their specialist care. We reckon that's well over **1,000** miles a year each.

Our lottery supporters and raffle ticket-buyers contributed just short of **£1 million** to help us care last year.

Despite lockdowns and restrictions, we were able to provide art therapy sessions to more than **2,700** people last year.

Our new Refresh café in Shrewsbury welcomed more than **14,000** customers in its first **six** months of opening. All profits from the café contribute to the care we provide.

We now have **29** shops across the region and were named **Charity Retailer of the Year** in a national award. Pop in some time, we'd love to see you!

Last year, our catering team cooked **22,932** meals – all from scratch – for patients.

Gifts in wills paid for the care of **one in five** of our patients.

All our care is free but it is not without cost

A full set of scrubs for a nurse costs around **£17**. Last year, we needed **480** uniforms.

£23 enables our specialists to provide **one** hour of physio for someone.

£563 will pay for **24** hours of care by a specialist nurse for a patient staying on our wards.

It costs around **£740** a week for basic medical supplies for our wards.

We have to raise
£2 for every **£3**
we spend on care.

Each **day**, we spend
£23,241
supporting local
families.

Help us make a difference

There are so many ways that you can support us and help raise the funds we need to ensure we are there for people when they need us.
