

...but it is not without cost

We have to raise **£2** of every **£3** we spend.

Each week we spend **£166,117** on care.

Registered charity 512394

- £110** is the cost of a bespoke medical case for our Outreach nurses
- £29** for a full set of scrubs for a nurse
- £65** provides a therapeutic Elephants Never Forget day for a group of children and their carers
- £1,000** is the cost of a syringe pump, meaning drugs can be automatically administered the minute they're needed
- £20** provides an hour's care from a Hospice at Home healthcare assistant and
- £188** is what it costs for them to stay overnight
- £621** is the cost of care for a patient to spend 24 hours in a bed on our ward

£1 million

Events and donations raised more than **£1 million** for us. If you took part, sponsored someone or simply made a direct donation you did something amazing! Thank you.

You bought **786,564** lottery tickets.

More than **24,000** people signed up to Gift Aid their shop donations, adding **£220,740** extra towards our care.

Gifts in wills help pay for the care of **one in four** of our patients.

Help us make a difference

We now have **30** high street shops. When you shop with us you help add **£1.5 million** towards the care we provide.

In the last year

Almost **3,000** local families living with incurable illness received our care

All your donations help local people. For every £1 donated last year, **88p** of it was spent on care. The remaining **12p** was used to raise another £1.

Our community nurses literally go to the ends of the earth to provide care. They drove more than **180,000** miles visiting patients at home last year – that's more than seven times round the world!

Our complementary therapists gave more than **2,500** relaxing treatments which can help alleviate some pain and anxiety and improve sleep.

Each nurse on our wards walked an average of **300,000** steps a month giving their specialist care. That's well over **1,000** miles a year!

Our green-fingered gardeners propagated, planted and grew over **4,000** new shrubs and plants, all so patients and families have a beautiful space to enjoy.

Severn Hospice
here and at home

Community means everything to us and we have almost **1,000** local volunteers who support our caring services. You'll see them in our shops and café, on our wards, driving patients to appointments, helping at our events and so many other places.
