

# Last year we cared for 3,000 families facing heartbreak

Our ward nurses  
each walked more than  
**1,000 miles** last year as  
they provided their care

Our Hospice at Home  
specialist nurses  
made **9,500** home  
visits last year

Our Complementary  
Therapy team offered  
**1,730** clinic and home visit  
appointments or sessions

Our Lymphoedema team  
helped more than **420**  
patients live with  
their symptoms

**All our  
care  
is free...**

...but it's not  
without cost

87p of every £1 donated to us is spent on caring.  
We use the remaining 13p to raise the next £1.

## A gift in your will

Gifts in wills help pay for the care of **one in four** of our patients – a real legacy of your kindness.

## Support our shops

We now have over **30** stores! Shop in one of them and you'll help add more than **£1.5 million** towards the care we provide. Now that's a bargain!

## Donate

All your support adds up! If you took part, sponsored someone or made a donation, you helped raise more than **£1 million** last year!

## Volunteer

Time is precious. Join us as a volunteer and wherever you're helping out, it means you're helping us care.

## Join our lottery

Our lottery costs just **£1 a week** to join and it raises almost **£1 million** a year. With **£150k** in prizes, it's win-win!

**£200** means we can stay with a family and care for their loved one through the night

**£50** will help cover the cost of a home visit by one of our specialist nurses

**£10** helps pay for one of our drop-in coffee mornings. Last year more than 1,600 people came to find out more about how we can help them

**£657** means we can provide 24 hours of care for a patient on our wards

**£35** means one more child can join one of our specialist bereavement sessions, Elephants Never Forget

For every  
**£3** we spend  
on care, we have  
to raise **£2**.
