

Event Crew Volunteer

Various locations

Summary:

Our event crew play an essential part in making sure our events and activities run smoothly and that all participants and supporters have fantastic experiences.

You can get stuck in setting up and stewarding events like the iconic Dragon Boat Festival, dramatic Fire and Ice Challenge and the poignant Lights of Love service – all of which help us generate vital funds to support our care services.

There are so many exciting opportunities to get involved from welcoming and registering participants, car parking, marshalling a route to handing out medals or running a merchandise stall.

It's a brilliant way to volunteer on an ad-hoc basis and can fit around busy lives.

Purpose: To help the smooth running of hospice events and fundraising activities and to help create atmosphere and great experiences.

Typical activities include:

There are lots of different ways you can get involved during pre-event, event day and post-event.
